

**Breakthroughs Can't Wait: *Changing the Future Today***

# **Building Stronger Schools and Communities**

**Shantay McKinily, MS**  
*Center for Restorative Change, School of Social Work*

- Transforming two Baltimore high schools into community-centered campuses that integrate academics, mental health, and family support under one roof
- Creating trauma-responsive, restorative school environments that connect students and families to mental health care, housing assistance, workforce training, and violence-prevention resources
