

Curriculum Vitae
Bruce Richard DeForge
October 2021

OFFICE: School of Social Work
University of Maryland
525 West Redwood Street
Baltimore, Maryland 21201
(410) 706-5612; FAX (410) 706-6046
email: bdeforge@ssw.umaryland.edu

HOME: 115 Ardoon Road
Lutherville, Maryland 21093
(410) 583-5742
email: bdeforge@comcast.net

EDUCATION

- 1994** **Ph.D.** **University of Maryland, College Park**, College Park, MD
Department of Sociology
Curriculum: Social Psychology, Mental Health, Research Design and Methodology
Dissertation: *The recognition of mental illness by college students: A test of role-taking failure and labeling theories.*
- 1985** **M.A.** **Towson State University**, Towson, MD
Department of Psychology
Curriculum: Experimental Psychology, Research Design and Methodology,
Psychological Assessment
Thesis: *The effect of chlordiazepoxide (Librium) on open-field behavior in the rat*
- 1977** **B.A.** **Central Connecticut State College**, New Britain, CT
Department of Psychology
Major: Psychology Minor: Philosophy.

PROFESSIONAL EXPERIENCE

- 2010-present **Research Assistant [Without Compensation (WOC)]**, Mental Illness Research Education and Clinical Center (MIRECC), Department of Veterans Affairs, Maryland Health Care System, Baltimore, MD
- 2005 to present **Associate Professor**, University of Maryland, Baltimore, School of Social Work, Baltimore, Maryland (tenured July 1, 2006)
- 2002 to 2005 **Research Associate Professor**, University of Maryland, Baltimore, School of Social Work, Baltimore, Maryland
- 1999 to 2001 **Research Associate Professor**, University of Maryland, Baltimore, School of Nursing, Departments of Adult Health and Behavioral and Community Health Nursing, Baltimore, Maryland
- 1998 to 1999 **Associate Director of Evaluation and Social Science Analyst**, Substance Abuse and Mental Health Services Administration, Center for Mental Health Services, Division of Knowledge Development and Systems Change, Homeless Programs Branch, Rockville, Maryland
- 1996 to 1999 **Adjunct**, University of Maryland, Baltimore, School of Social Work
- 1995 to 1998 **Director of Research and Assistant Professor**, University of Maryland, Baltimore, School of Medicine, Department of Family Medicine
- 1992 to 1995 **Research Statistician**, University of Maryland, Baltimore, School of Medicine, Department of Psychiatry, Center for Mental Health Services Research (50%)

- 1986 to 1995 **Research Associate**, University of Maryland, Baltimore, School of Medicine, Department of Family Medicine (50% 1992 to 1995)
- 1983 to 1986 **Research Analyst III**, University of Maryland, Baltimore, School of Medicine, Department of Family Medicine
- 1982 to 1983 **Lead Research Assistant**, Johns Hopkins University, School of Hygiene and Public Health, Department of Epidemiology
- 1980 to 1982 **Research Assistant**, Johns Hopkins University, School of Hygiene and Public Health, Department of Epidemiology
- 1980 **Assistant Coordinator-Developmental Program**, Towson State University, Division of Academic Affairs, Office of Academic Retention
- 1980 **Standardized Test Administrator**, Towson State University, Division of Academic Affairs, Office of Academic Retention (Summer)
- 1979 to 1980 **Graduate Assistant**, Towson State University, Division of Academic Affairs, Office of Academic Retention
- 1978 to 1979 **Assistant Instructor for General Psychology**, Towson State University, Department of Psychology
- 1978 to 1979 **Research Assistant**, Towson State University, Department of Psychology
- 1978 **Psychological Laboratory Assistant**, Central Connecticut State College, Department of Psychology (Spring)

RESEARCH INTERESTS

Medical Sociology – Social psychological aspects of health, health attitudes/beliefs, health status, quality of life, social/psychological well-being, health disparities

Health literacy

Sociology of mental health (stigma)

Social psychology (attitudes and public opinion, self-concept)

Homelessness

Mental health policy

Patient-Provider relationships

TEACHING INTERESTS

Medical Sociology--Sociology of Health

Sociology of Mental Health--Mental Health and Health Policy

Social Psychology

Statistics and Research Methodology--Quantitative and Qualitative (Elementary and Advanced)

Mixed methods

Program Evaluation

Introduction to Sociology

Social Problems

Sociological Theory

GRANT SUPPORT/EXTRAMURAL FUNDING

Co- Principal Investigator and Project Evaluator: Leadership in Public Health Social Work Education. **Principal Investigator:** Edward Pecukonis, Ph.D., M.S.W. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Bureau of Health Workforce, Division of Nursing and Public Health, Rockville, MD (CFDA No.93.330) (Submitted August 2017-Not funded)

Co- Principal Investigator: Positive mechanism against HIV stigma and ageism among older people living with HIV/AIDS and their caregivers. **Co- Principal Investigator:** Hongjie Liu, Ph.D., M.S., Department of Epidemiology and Biostatistics, School of Public Health. The University of Maryland Research and Innovation Seed Grant Program (Submitted: May 2015-Not funded)

Project Evaluator: Leadership in Public Health Social Work Education. **Principal Investigator:** Edward Pecukonis, Ph.D., M.S.W. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Bureau of Health Workforce, Division of Nursing and Public Health, Rockville, MD (CFDA No.93.330) (funded September 2014 to August 2017).

Mentor/Advisor: Development of a Patient Centered Mental Health Intervention for Recent Veterans. **Principal Investigator:** Samantha Hack, Ph.D., M.S.W. Mental Illness Research Education and Clinical Center (MIRECC), Baltimore Veterans Affairs Medical Center. Rehabilitation Research and Development (RR&D) VA Career Development Award-2 (CDA-2) (Funded June 2017-length 5 years).

Mentor/Advisor: K-23 Career Development Award: Development and testing of a point-of-care shared decision-making tool for providers. **Principal Investigator:** Diana Carvajal, M.D., M.P.H., Department of Family and Community Medicine, School of Medicine, University of Maryland. National Institutes of Health, National Institute Child Health and Human Development (Funded July 29, 2019-April 30, 2024).

Consultant: Veteran Identity Measure. **Principal Investigator:** Samantha Hack, Ph.D., M.S.W. Mental Illness Research Education and Clinical Center (MIRECC), Baltimore Veterans Affairs Medical Center. VA Capital Health Care Network VISN 5 Pilot Research Grant (Submitted November 2014, Not Funded)

Co-investigator: Help-Seeking Intentions for Alzheimer's Among Korean Americans
Principal Investigator: Banghwa Lee Casado, Ph.D., M.S.W. Agency for Healthcare Research and Quality (AHRQ), Bethesda, Maryland (1 R03 HS022947-01Funded May 1, 2014-October 31, 2015)

Project Evaluator: Social Work Traineeship: Military Personnel, Veterans and their Families.
Principal Investigator, Jesse Harris, Ph.D., M.S.W. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Bureau of Health Professions, Division of Public Health and Interdisciplinary Education Rockville, MD (CFDA No. 93.732; submitted, June 22, 2012, Not funded).

Co-Investigator/Methodologist: Asthma Family Connections **Principal Investigator:** Melissa Bellin, Ph.D., M.S.W, University of Maryland School of Social Work, (R21 Submitted to NIH National Institute of Nursing Research (NINR) June 2012 Score 36; 2014 resubmission score 26 not funded).

Co-Investigator/Methodologist: Mental Health Literacy for Alzheimer's Disease among Asian Americans **Principal Investigator:** Banghwa Casado, University of Maryland School of Social Work, (Submitted to Alzheimer's Association February 2012 Not funded).

Co-Investigator: Seeding Trans-disciplinary Study of Patient-Centered Medical Home Implementation and Outcomes in Academic Family Medicine and FQHC Practices
Principal Investigator: Beth Barnet, MD, University of Maryland School of Medicine, Department of Family and Community Medicine and the Maryland Research Collaborative (MaRC) a Practice Based Research Network (PBRN) (Submitted to HRSA July 2011—Approved Not funded).

Co-Investigator: Project BeWell (Baltimore embracing Wellness). **Principal Investigator:** Beth Barnet, MD, University of Maryland School of Medicine, Department of Family and Community Medicine and the Maryland Research Collaborative (MaRC) a Practice Based Research Network (PBRN) (Submitted to NIH/NCI May 2010—Not funded).

Co-Investigator: Motivational Intervention for Behavior Change: Bridging the Medical Home and Community to Reduce Chronic Disease Risk and Disparities among Youth Maryland Research Collaborative-Practice Based Research Network (MaRC/PBRN). **Principal Investigator:** Beth Barnet, MD, University of Maryland School of Medicine, Department of Family and Community Medicine (Submitted to Kresge Foundation - Safety-net Enhancement Initiative November 2009-Not funded).

Co-Investigator: Improving access to mental health care in university students. **Principal Investigator:** Joseph Finkelstein, M.D., Ph.D., School of Medicine, Chronic Disease Informatics Program, Johns Hopkins University (submission to NIH R01 October 2009).

Co-Investigator: Ending Self Stigma: Randomized Trial to Reduce Internalized Stigma among People with SMI. **Principal Investigator:** Alicia Lucksted, Ph.D., School of Medicine, University of Maryland Department of Psychiatry (**FUNDED**--1 R01 MH090036-01 07/01/11-06/30/13 NIH (NIMH) \$239,384 (\$792,099)).

Co-Investigator: Reducing Internalized Stigma In People with Serious Mental Illness. **Principal Investigator:** Amy Drapalski, Ph.D., Mental Illness Research Education and Clinical Center (MIRECC), Baltimore Veterans Affairs Medical Center (**FUNDED**--1 I01 HX000279-01A2 07/01/11-12/30/14 Veterans Administration \$297,803 (\$1,028,168)).

Co-Investigator: Using Social Networks to Reduce Cardiovascular Disease. **Principal Investigator:** Fadia Shaya Ph.D., M.P.H, School of Pharmacy, University of Maryland (submitted to NIH (NCMHD) NIH).

Evaluator/Investigator: **UMB Clinical and Translational Science Award (CTSA).** **Principal Investigator:** Carol Tacket, M.D., School of Medicine, University of Maryland Department of Medicine (resubmission to NIH U54 Fall 2009)—Biostatistic and Community components.

Co-Investigator: Motivational Intervention for Behavior Change: Bridging the Medical Home and Community to Reduce Chronic Disease Risk and Disparities among Youth Maryland Research Collaborative-Practice Based Research Network (MaRC/PBRN). **Principal Investigator:** Beth Barnet, MD, University of Maryland School of Medicine, Department of Family and Community Medicine (Not funded **Impact/Priority Score: 34 Percentile: 4** by NIH Challenge award April 2009).

Co-Investigator: A Survey of Internalized Stigma among Consumers with Mental Illness. **Principal Investigators:** Alicia Lucksted, Ph.D., School of Medicine, University of Maryland Department of Psychiatry and Amy Drapalski, Ph.D., Mental Illness Research Education and Clinical Center

(MIRECC). Baltimore Veterans Affairs Medical Center (March 2009--Funded).

Qualitative Researcher/Co-Investigator: **Maryland Research Collaborative-Practice Based Research Network (MaRC/PBRN).** **Principal Investigator(s):** David L. Stewart, MD, MPH University of Maryland School of Medicine, Department of Family and Community Medicine and Shiraz I. Mishra, MBBS, PhD, School of Medicine, Office of Policy and Planning. University of Maryland Funded by University of Maryland School of Medicine Office of Policy and Planning (2008-2009).

Project Evaluator: Maternal and Child Health Center for Leadership in Public Health Social Work Education. **Principal Investigator,** Edward Pecukonis, Ph.D., M.S.W. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Maternal and Child Health Bureau, Rockville, MD (CFDA No. 93.110) (7/08 to 6/13; \$140,407 Year 1).

Co-Investigator: Internalized Stigma Pilot Project. **Principal Investigator:** Alicia Lucksted, Ph.D., School of Medicine, University of Maryland Department of Psychiatry. Mental Illness Research Education and Clinical Center (**MIRECC**). Baltimore Veterans Affairs Medical Center (\$30,000 January 2007).

Co-Investigator: Pilot project: Person and Environmental Circumstances of Nursing Home Resident Fall Event. **Principle Investigator:** Elizabeth E. Hill, Ph.D., R.N., School of Nursing, Johns Hopkins University. Center for Collaborative Intervention Research (CCIR), National Institute of Nursing Research (1/2007-12/2008).

Program Evaluator (2005-2006): Assertive Community Treatment for Homeless Persons with Co-Occurring Disorders. **Principal Investigators:** Dimitrios Cavathas, M.S.W., People Encouraging People, Inc. Substance Abuse and Mental Health Services Administration, Center for Mental Health Services (CMHS) and Center for Substance Abuse Treatment (CSAT), Rockville, MD (\$400,000 per year, 5H79TI016623; 7/1/05-6/30/10).

Evaluator: Maryland's Foster Care Court Improvement Project Reassessment. Foster Care Court Improvement Project, Administrative Office of the Courts, Maryland Judicial Center, Annapolis, MD (January to June, 2005, \$2,547).

Project Director: Needs Assessment for the National Kidney Foundation of Maryland. National Kidney Foundation of Maryland, Towson, MD (January to June, 2005, \$10,000).

Principal Investigator: The Impact of Health Literacy, Social Support, Internet Use and Doctor-Patient Relationships Relationship on Health Status and Health Service. **Co-Investigator:** David L. Stewart, M.D., School of Medicine, University of Maryland, University of Maryland's Statewide Health Network (UMSHN) Field Outreach Projects Grant (July to December 2004, \$55,000).

Co-Investigator: Hypertension Telemanagement in African Americans. **Principal Investigator:** Joseph Finkelstein, M.D., Ph.D., Department of Epidemiology and Preventive Medicine, School of Medicine, University of Maryland. National Institutes of Health (NIH), Rockville, MD (Grant number: 1 R01 HL 078579, 7/05 to 05/09, \$3,524,620).

Co-Investigator: Social Capital and the Homeless. **Principal Investigator:** John R. Belcher, Ph.D., M.Div., School of Social Work, University of Maryland, Designated Research Initiative Funds (DRIF), University of Maryland (Funded July 2003, \$19,078).

Project Evaluator: Maternal and Child Health Center for Leadership in Public Health Social Work Education. **Principal Investigator,** Edward Pecukonis, Ph.D., M.S.W. Department of Health and Human Services, Health Resources and Services Administration (HRSA), Maternal and Child Health

Bureau, Rockville, MD (CFDA No. 93.110) (9/03 to 8/08, \$720,000).

Program Evaluator: Mental Health Services to Minority Persons with HIV/AIDS. **Principal Investigators:** Dimitrios Cavathas, M.S.W., People Encouraging People, Inc. Substance Abuse and Mental Health Services Administration, Center for Mental Health Services (CMHS) and Center for Substance Abuse Treatment (CSAT), Rockville, MD (1 SM53850; 9/1/01-8/31/06).

Co-Investigator: Needs assessment of the mental health needs of the elderly in Baltimore County **Principal Investigator:** Carmen Morano, Ph.D. University of Maryland, Baltimore, School of Social Work. Sponsored by Baltimore County Bureau of Mental Health (BCBMH). (Contract funded 2002, \$11,000).

Co-Investigator: HIV Risk Reduction among Latinas: Project SEPA (SALUD-Health/EDUCACION-Education/AUTOUIDADO-Self-Care): **Principal Investigator:** Nilda Peragallo, DrPH, RN, FAAN School of Nursing, University of Maryland, Funded by National Institutes of Health (NIH), National Institute of Nursing Research (NINR), Rockville, MD (NIH/NINR RO1 NR04746-04).

Co-Principal Investigator: Physician's Knowledge, Attitudes, and Practices of Diabetes Care and Management. **Principal Investigator:** David L. Stewart, M.D., M.P.H. Contract with the State of Maryland, Department of Health and Mental Hygiene, Local and Family Health Administration, Office of Chronic Disease Prevention, Diabetes Control Program (5/15/95 to 5/14/96). \$77,208 (annual direct costs).

Co-Principal Investigator and Project Director: Community Hypertension Screening of African American Males. **Principal Investigator:** David L. Stewart, M.D. Contract with the State of Maryland, Department of Health and Mental Hygiene, Health Services Cost Review Commission (9/1/94 to 8/31/97). \$87,990 (annual direct costs).

Co-Principal Investigator: Control and Adherence Issues in Hypertension. **Co-Principal Investigator:** David L. Stewart, M.D., School of Medicine, University of Maryland, funded by the School of Medicine, UMB Tobacco Restitution Funds (Funded May 2001, \$150,000 direct costs).

Program Evaluator: Park Heights Healthy Homes Demonstration and Education Project. **Principal Investigators:** Claudia Smith, R.N., M.P.H., Ph.D., School of Nursing, University of Maryland. Department of Housing and Urban Development (HUD), Washington, DC (Funded 2002-2003).

Co-Investigator: Homeless Provider Survey of Primary Care Physicians in Maryland. **Co-Investigators:** David Stewart, MD, MPH and Angie Battaglia, MS, School of Medicine, University of Maryland, Funded by State of Maryland, Department of Health and Mental Hygiene (DHMH), Office of Primary Care. (2001).

Co-Principal Investigator: Faculty Development in Family Medicine. **Principal Investigator:** Edward Pecukonis, Ph.D., M.S.W. Department of Health and Human Services, Health Resources and Services Administration (HRSA) (CFDA No. 93.895) (7/1/97 to 6/30/00) \$184,983 (annual direct costs).

Co-Principal Investigator: Predoctoral Orientation and Training in Family Medicine (Supplement). **Principal Investigator:** David L. Stewart, M.D., M.P.H. Department of Health and Human Services, Health Resources and Services Administration (HRSA) (CFDA No. 93.896) (7/1/97 to 6/30/98) \$55,000 (annual direct costs).

TEACHING EXPERIENCE**Community-Based Engagement Methods (PH 710).**

Part of the Master in Public Health (MPH) program. Spring 2019-present
Coursemaster: Bruce R. DeForge (SSW)

Community-Based Participatory Research (CBPR): Theories and Methods (PREV 625).

Part of the Master in Public Health (MPH) program. Spring 2013-2018
Coursemaster: Bruce R. DeForge (SSW)

Community-Based Participatory Research (CBPR): Theories and Methods (PREV 625).

Part of the Master in Public Health (MPH) program. Spring 2012
Co-Coursemasters: Bruce R. DeForge (SSW)
Susan Passmore (EPI/SOM)

Community-Based Participatory Research (CBPR): Theories and Methods (PREV 625).

Part of the Master in Public Health (MPH) program. Spring 2009-2011
Co-Coursemasters: Renee Royak-Schaler (EPI/SOM)
Bruce R. DeForge (SSW)

Community-Based Participatory Research (CBPR): Theories and Methods (PREV 789).

Part of the Master in Public Health (MPH) program. Spring 2008
Coursemaster: Renee Royak-Schaler (EPI/SOM)
Co-Coursemasters: Bruce R. DeForge (SSW)
Jeffrey Johnson (SON)
Jane Lipscomb (SON)

The Nature of Health and Illness (SOWK 765). University of Maryland, School of Social Work.
Spring and Fall 2004, Fall 2005-2010, Spring 2011, Fall 2013-present

Research Methods in Social Work I (SOWK 804). University of Maryland, School of
Social Work. Fall 2006-present.

Research Methods in Social Work II (SOWK 806). University of Maryland, School of
Social Work. Spring 2007-present.

Research Methods in Social Work I (SOWK 804). University of Maryland, School of
Social Work. Fall 2005 (Co-taught with Susan Zuravin, Ph.D).

Research Methods in Social Work II (SOWK 806). University of Maryland, School of
Social Work. Spring 2006 (Co-taught with Susan Zuravin, Ph.D).

Advanced Research Methods and Grant Writing (SOWK 838). University of Maryland, School
of Social Work. Summer 2005, 2006.

Program Development and Evaluation in Community Public Health Nursing (NURS 732).
University of Maryland, School of Nursing. 1999-2001.

Science and Research for Advanced Nursing Practice (NURS 701). University of Maryland,

School of Nursing. 1999-2001.

Science and Research for Advanced Nursing Practice (NURS 701). University of Maryland, School of Nursing. 2000-2001 [**Course Coordinator**].

Design of Nursing Research (NURS 813). University of Maryland, School of Nursing. Spring 2000 & 2002.

Repeated Measures ANOVA Designs in Nursing and Health Care Research (NURS 817). University of Maryland, School of Nursing. Summer 2000.

Analysis and Development of Nursing Theory (NURS 805). University of Maryland, School of Nursing. Fall 2001. (Co-Teaching with Rita Braun, Ph.D., R.N.)

Clinical Social Work in Relation to Chronic Mental Illness (SWCL 730). Adjunct, University of Maryland Graduate School, School of Social Work. Spring 1996 to Spring 1999.

Monthly Family Practice Journal Club. Teaching critical evaluation of medical literature using Evidence-Based Medicine techniques, Department of Family Medicine, University of Maryland, School of Medicine, 1997 to 1998.

Faculty Development in Family Medicine Program. Teaching methodology, statistics, and grant writing to fellows and junior faculty. Department of Family Medicine, University of Maryland School of Medicine (funded through Department of Health and Human Services, Health Resources and Services Administration (HRSA) (CFDA No. 93.895) (7/1/97 to 6/30/00), 1997 to 1998.

Clinical Research Methods Course for Junior Faculty. Instructor and curriculum planning committee member: Sampling, Methodology and Statistics sections. Department of Internal Medicine, University of Maryland School of Medicine, December 1994.

Clinical Research Scientist Course for Research Fellows. Instructor and curriculum planning committee member: Methodology and statistics sections. Department of Internal Medicine, University of Maryland School of Medicine. December 1992 to January 1993 (Course: July 1992 to May 1993).

Bio-Medical Ethics. Small group discussion leader, Department of Family Medicine, University of Maryland School of Medicine. Minimester January 1992 -1993.

Bio-Medical Ethics. Small group discussion leader, Department of Family Medicine, University of Maryland School of Medicine. Topic: Abortion. Minimester January 1992.

Health and the Homeless. Small group discussion leader, Department of Family Medicine, University of Maryland School of Medicine. Topic: The homeless and society. Minimester January 1991, 1992, and 1994.

Introduction to Clinical Practice. Instructor, Department of Family Medicine, University of Maryland School of Medicine. Spring 1989

Introduction to Psychology. Assistant Instructor, Department of Psychology, Towson State University. Fall 1978 to Fall 1979.

INVITED PRESENTATIONS

Faculty Panel on Mixed Methods presented to the Qualitative Interest Group, University of

Maryland, School of Social Work (April 25, 2019).

Research Ethics Lecture presented in the Social Work Research (SOWK 670) course, University of Maryland, School of Social Work (April 11, 2018).

Power, Sample Size and IRB

Discussion facilitated in the Research Practicum (SOWK 810) course, University of Maryland, School of Social Work (March 16, 2017; March 15, 2018, March 14, 2019).

IRB Tips and Tricks. Presentation for the Professional Development Series, PhD Program, University of Maryland School of Social Work (February 23, 2017).

Public Health Approach to Mental and Physical Health: SES, Stigma and Minority Mental Health. Lecture presented in the Mental Health and Social Policy (SOWK 706) course, University of Maryland, School of Social Work (October 28, 2016).

Public Health Approach to Mental and Physical Health: Social Determinants of Health.

Lecture presented in the Mental Health and Social Policy (SOWK 706) course, University of Maryland, School of Social Work (October 14, 2016).

Panel Discussant: SOWK 699: The Impact of Community Violence in West Baltimore: A Trauma-Informed Perspective (Mini-Semester). UMB: Interprofessional Panel on Addressing Trauma in Baltimore. Course is sponsored by the Center for Public Health Social Work Education and Training, University of Maryland, Baltimore, School of Social Work (January 9, 2016)

RAISE Meeting--Designing Effective Pilot Studies Presented on pilot studies, clinical trial phases, proof of concept/proof of principle, and IRB issues (March 28, 2014).

Critical Thinking in Social Work and Research. University of Maryland School of Social Work Staff Salon in Social Work Community Outreach Service (SWCOS) (February 4, 2011)

Sampling and Design Error. Lecture presented in the Health Survey Research Methods (PREV 758) course, University of Maryland, School of Medicine, Department of Epidemiology and Public Health (October 12, 2010)

Data Analysis. Lecture presented in the Health Survey Research Methods (PREV 758) course, University of Maryland, School of Medicine, Department of Epidemiology and Public Health (November 30, 2010)

Funding Dissertation Research/Education. Presentation for the Professional Development Series, PhD Program, University of Maryland School of Social Work (November 20, 2009 And March 2, 2012).

Panel Discussant: Pediatric Topics in Growth and Development: "How to pursue a career in academics." University of Maryland School of Medicine, Department of Pediatrics (October 13, 2009)

Health Literacy Presentation made to the Primary Care Research Fellowship program, University of Maryland School of Medicine and Johns Hopkins University, General Pediatrics Research Center (April 12, 2006)

Mixed Methods Presentation made to the Baltimore Area Qualitative and Mixed-Methods Health Research Network Fall 2005 Meeting (October 25, 2005).

The Research Process. Lecture presented to the Medical/Surgical Department of Social Work, Johns Hopkins Hospital (May 4, 2005).

Grounded Theory and Content Analysis. Lecture presented in the Qualitative Ethnocultural Research (SOWK 783) course, University of Maryland, School of Social Work (April 15, 2005).

Homelessness and Social Capital. Lecture presented in the Qualitative Ethnocultural Research (SOWK 783) course, University of Maryland, School of Social Work (March 11, 2005).

Research Methods, Findings, and Results. The Scholarly Writing Program, sponsored by the Writing Center, University of Maryland Baltimore (March 3, 2005).

Childhood Obesity: An Interdisciplinary Approach to Prevention and Intervention. Evaluation Discussion Group (CIPP 904 Winter Session 2005).

Fundamentals of Neuroscience: The impact of substances abuse on the brain. Lectures presented in the Human Behavior and Social Environment I (SOWK 640) course, University of Maryland, School of Social Work (October & November 2004).

Conference: Building Comprehensive Services for the Homeless. Planning conference in collaboration with John R. Belcher, Ph.D., School of Social Work, University of Maryland, Baltimore and Gerard R. Kelly, Ph.D., Chesapeake Health Education Program (CHEP) and the Veterans Administration Medical Center (VAMC), Perry Point (March 17, 2004).

Subject Recruitment: Ethical and Practical issues. lectures presented in the Research Projects in Maternal & Child Health (SOWK 789), University of Maryland, School of Social Work (September 2003).

Federal Grant Writing Workshop, a 9-session workshop on developing federal grant applications, University of Maryland School of Social Work, February 6 –April 17, 2003.

Qualitative Research: Theory and Methodology lectures presented in the Science and Research for Advanced Nursing Practice (NURS 701), University of Maryland, School of Nursing (November 2002 and April 2003).

Health and the Federal government lectures presented in the Mental Health and Social Policy (SOWK 706), University of Maryland, School of Social Work, September 6, 2002 and March 21, 2003.

Program evaluation lecture presented in the Planning Programs for Populations (Nursing 602), University of Maryland, School of Nursing, Department of Behavioral and Community Nursing April 11, 2002.

Panelist, Discussion on Clinical Research in Primary Care, Department of Family Medicine, University of Maryland, School of Medicine, and January 10, 2000.

Anxiety disorders in primary care presented to the 4th year medical students in an Ambulatory Rotation at University of Maryland, Department of Family Medicine, May 2, 1996.

Initial planning of clinical, social and behavioral research projects presented at the CORE conference University of Maryland, Department of Family Medicine, January 24, 1996.

Psychosocial factors in health and illness: Self-concept, self-esteem, self-efficacy, and models of coping lecture presented in the Psychiatric Epidemiology (Preventive Medicine 670) University of Maryland, Department of Epidemiology and Preventive Medicine, October 27, 1995.

Problem Statements, Research Questions and Hypotheses presented at the CORE conference University of Maryland, Department of Family Medicine, June 21, 1995.

Research Designs in Clinical Research presented to the Maryland Academy of Family Physicians, October 28, 1989.

Worksite Organizations for Weight Loss presented at *Weight Disorders: Assessment & Therapeutic Options*, a continuing medical education course sponsored by the Department of Family Medicine, University of Maryland, December 4-5, 1986.

MASTER THESIS COMMITTEES

School of Social Work, University of Maryland

Chris Stadter, M.S.W. Thesis, Committee Member, Completed May 7, 2010. "The Relationship between Online Social Group Affiliation, Gender Roles and Attitudes toward Gay Men and Lesbians."

DISSERTATION COMMITTEES

School of Social Work, University of Maryland

Dissertation Chair--Active Dissertations

Karen Burruss, Doctoral Dissertation Chair, Defended proposal August 10, 2018, "The Interplay of Home Visitors' Personal and Professional Identities in Effectively Screening and Supporting Women around Sensitive Topics"

Dante DeTablan Doctoral Dissertation Chair, Defended proposal August 28, 2019, "A Multilevel Exploration of Student Mobility and Enrollment in Postsecondary Education Among High School Students in Maryland"

Dissertation Chair--Completed Dissertations

Emmett L. Gill, Jr., Completed April 2006, "The Role of Type of Sport, Race, and Gender in the Identity and Grade Point Average of Division One Student-Athletes"

Alexa Smith-Osborne, Co-Chair (with Kathleen Deal), Completed July 2006, "Antecedents to Post-Secondary Educational Attainment Among Young Adult Veterans with Psychiatric Disorders"

Jayshree Jani, Completed April 9, 2008, "Predictors of Mental Health in a Neighborhood of Managua, Nicaragua: A Gendered Analysis"

Received a the UMB Global Health Travel Award (\$1,500 plus match from SSW)

Rebecca (Becki) Sander, Completed May 1, 2008, "Setting the Table: A Mixed Method Study of the Preparation Process for Community Conferencing."

Karen Parker, Completed April 8, 2010, "Oncology Social Workers and Tobacco-Related Practice:

An Exploratory Study.”

Received funding--Doctoral Dissertation Grant in Oncology Social Work from the American Cancer Society (\$20,000 per year up to 2-years)

Karen McNamara, Completed February 25, 2014, “Professionals and their organizational roles in pathways to care for early psychosis: Where are the social workers?”

Peggy Howell Beall, Doctoral Dissertation Chair, Completed April 25, 2016 “Parents’ Daily Hassles Stress and Child Avoidant Coping during Deployment: A Structural Equation Nonrecursive Model to Investigate the Non-deployed Parent-Child Dyad in National Guard Families”

Naeem Shaikh, Doctoral Dissertation Chair, Completed April 25, 2018. “An examination of Social Dominance Orientation and Cultural Competence of Social Workers”

Brenda Jorden, Doctoral Dissertation Co-Chair (with John Belcher), Completed June 13, 2108, “Rural Veterans: Pathways to Homelessness”

Joonyup Lee, Doctoral Dissertation Co-Chair (with John Cagle), Completed March 30, 2020, “The Impact of Social Exclusion on Mortality and Survival Time among Older Adults”

Elizabeth Franklin (formerly Hoffer), Doctoral Dissertation Co-Chair (with Corey Shdaimah), Completed April 16, 2020, “Beyond Efficacy, Toxicity, and Cost: Patients Define Cancer Care Value in the United States”

Dissertation Committee Member--Completed Dissertations

Cynthia Fontanella, Completed April 2003. "Psychiatric Readmission of Adolescents in the Public Mental Health System."

Elizabeth Raimo-Tendo, Completed July 2003, “Family Characteristics and Dynamics that Relate to the Development of Anorexia and Bulimia in Females.”

Donna Bliss, Completed June 2005, “Impact of Severity of Alcohol Dependence on the Spiritual Well-being of Women and Men with Alcohol Use Disorders”

Chika Monu, Completed October 2005, “Caregiver Satisfaction with Child Welfare Services”

Karen Novak, Completed December 2005, “The Association of Formal and Informal Social Support to Alcohol Use in Independently- Living Older Adults”

David Dia, Completed April 2006, “The Tripartite Model of Anxiety and Depression: Role of the Factors of Anxiety Sensitivity in Anxiety and Depression”

Dara Bergel, Completed March 14, 2007, “Compassion Fatigue Among Adult Protective Services Social Workers”

Denise King, Completed May 2, 2007, “Examination of a Sociocultural Stress and Coping Model:

Religiosity and Gain Among African American Dementia Caregivers”

- Barry Adams**, Completed December 3, 2007, “Effects of a Cognitive Intervention on Motor Performance, Motor Performance Self-Efficacy, and Combat Event Readiness Self-Efficacy in Navy Recruits”
- Elizabeth Greeno**, Completed April 24, 2008, “Psychosocial Risk Factors and Prevalence of Alcohol Consumption in Pregnant Women with Substance Abuse: A Secondary Data Analysis”
- Anne Hughes**, Completed April 6, 2009, “Attitudes and Knowledge of Gerontology Providers toward HIV and AIDS”
- Lynda Sowbel**, Completed April 17, 2009, “The Relationship Between Personality Traits and Field Performance”
- Sunday Fakunmoju**, Completed April 20, 2009, “Contested Cases of Child Maltreatment: Evidentiary Characteristics of Adverse Outcomes”
- Shauna Acquavita**, Completed April 30, 2009, “Racial and Ethnic Differences among Pregnant Women in Baltimore City Who Smoke: A Social Ecological Analysis with Geographic Information Systems (GIS)”
- Mindy Thiel**, Completed April 20, 2010, “Socio-demographic and Psychological Characteristics of Sub-types of Alcoholism: An Analysis of the Type A/Type B and Five-Factor Models”
- Rena Bina**, Completed January 21, 2011, “Seeking Help for Postpartum Depression: The Behavioral Model of Health Service Use as a framework for predicting Treatment Utilization for Postpartum Depression”
- Melissa Lim Brodowski**, Completed February 14, 2012, “Factors Associated with Changes in Parental Depressive Symptoms: A Longitudinal Multilevel Analysis of Parents at High Risk for Child Maltreatment”
- Michelle Tuten**, Completed April 24, 2013, “A Comparison of treatment outcomes for participants Receiving Reinforcement-Based Treatment (RBT) versus participants receiving RBT plus Recovery Housing (RBT + RH)”
- Lynn Murphy Michalopoulos**, Completed April 29, 2013, “Exploration of cross-cultural adaptability of PTSD among trauma survivors in Northern Iraq, Thailand, and the Democratic Republic of Congo: Application of item response theory and classical test theory”
- Fatima Mirza**, Completed August 27, 2014, “Understanding American Muslim Youth of South Asian and Arab Ancestries: An Exploratory study on the Factors Related to Risk Behaviors among Child Immigrants and Children of Immigrants”
- Jungyai Ko**, Complete May 1, 2015, “Help-seeking Behavior among Working-aged Adults with Suicidal Ideation: An integration of the Andersen Model of Health Care Utilization and the Three-stage Model of Mental Health Help-seeking”
- Seokho Hong**, Completed May 14, 2015, “Acculturation, Mental Health, and Mental Health Service Use Among Older Adults from Five Asian Ethnic Groups”

Sally Hageman, Completed, May 21, 2019. "Health Savings Account Effects on Health and Debt"

Dissertation Committee Member--Active Dissertations

None currently active

Doctoral Qualifying Examination (School of Social Work):

Statistics, Spring 2002-2009

Research Methods, Spring 2005-2009 (Team Leader 2007-2009)

2010-present Coordinator of Doctoral Comprehensive Exam (Systematic Reviews)

School of Nursing, University of Maryland

Dissertation Committee Member--Completed Dissertations

Penny Marshke, Completed April 2000. "Quality of Life of the Radical Retropubic Prostatectomy Patient and His Wife."

Amanda Greene, Completed June 2001, "Predictors of Breast Cancer Screening in Women with Chronic Conditions."

Acharaporn (Rohatas) Sripusanapan. Completed October 2001, "Translation, Validation, and Application of the California Critical Thinking Instruments to Assess Factors Related to Critical Thinking Dispositions and Skills of Baccalaureate Nursing Students in Thailand."

Rebecca Miltner, Completed November 2001, "Variations in Nursing Interventions Provided to Mothers During Childbirth"

Lorrie Powel, Completed December 2001, "Measuring Health-Related Quality of Life After Radical Prostatectomy."

Ann Morrison, Completed December 2002, "The Effects of Exogenous Estrogen and Hormone Replacement Therapy upon the Risk of Developing Alzheimer's Disease in a Cohort of Women."

Maher El-Masri, Completed February 2003. "Predictors of Nosocomial Bloodstream Infections in the Adult Critically Ill Trauma Population: A Model Testing Approach."

Sun Mi Lee, Completed September 2003, "Applying Bayesian Network Approaches to Study Health Outcomes."

Caryn Andrews, Completed April 2004, "Modesty and Religiosity as Predictors of Breast Cancer Screening among American Jewish Women"

Sumalee Lirtmunlikaporn, Completed April 2004, "Stages of Change, Treatment Motivation, and Self-Efficacy for Abstinence Among Thai Adolescents with Methamphetamine Use"

Nantiya "Poo" Chookaew, Completed April 2004, "A Meta-Analysis of Adolescent HIV/AIDS Prevention Education Programs from 1981 to 2002 in the United States"

Joan Warren, Completed December 2004, "Acute Care Associate Degree/Diploma Registered Nurse Preferences for Organizational Incentives and Rewards as Motivators to Obtain a Baccalaureate in Nursing Degree."

Lisa Lesneski, Completed November 2005, "Delay in Seeking Treatment for Acute Myocardial Infarction (AMI)."

Marjorie Simpson, Completed April 14, 2010, "Factors related to job performance and job satisfaction in certified nursing assistants."

Dawn Foster, Completed December 1, 2010 "The effects of Reiki on Stress and Pain in the Hospitalized Trauma Patient."

Amal Al-Balush, Completed, October 9, 2019, "Psychosocial Care Needs of Children with Cancer and Their Families: Perceptions and Experiences of Omani Oncologists and Nurses"

Dissertation Committee Member--Active Dissertations

None

Interdisciplinary and Intercampus Doctoral Program in Gerontology University of Maryland Baltimore (UMB) and University of Maryland Baltimore County (UMBC)

Dissertation Committee Member--Completed Dissertations

Janet Simon Schreck, Completed November 6, 2013, "Marital Satisfaction in Spouses of Patients with Chronic Aphasia: A Mixed Methods Study."

**University of Baltimore, Yale Gordon College of Arts and Sciences
Division of Science, Information Arts and Technologies, Information Arts and Technologies**

Dissertation Committee Member--Completed Dissertations

Julie (Juls) Gilliam, Completed December 15, 2015, "Using an Enhanced e-textbook to Facilitate the Education and Practice of Social Workers" (Doctor of Science in Information and Interaction Design)

Doctoral Comprehensive Examination Committees (School of Nursing):

Acharaporn (Rohatas) Sripusanapan (Chair of Committee)
Maher El-Masri (Committee Member)
Marjorie Gillespie (Chair of Committee)
Sandra Jones (Committee)

Caterina Lasome (Chair of Committee)
Sumalee Lirtmunlikaporn (Committee)

HONORS AND AWARDS

- 1977-1978 Honors Award, Department of Psychology, Central Connecticut State College,
- 1999 Award from Substance Abuse and Mental Health Services Administration (SAMHSA), Center for Mental Health Services, Homeless Programs Branch, Rockville, Maryland, (August 1999)
- 2006 Abraham Lurie Award: Best of Social Work in Mental Health. For the articles: "The Longitudinal Discharge Planning and Treatment Model (LDPTM) Parts 1 & 2" (Belcher and DeForge) (July 10, 2006).
- 2015 Master of Public Health Teaching and Mentoring Awards, University of Maryland, School of Medicine, Department of Epidemiology and Public Health

FACULTY DEVELOPMENT/TRAINING

University of Maryland Baltimore, School of Social Work--Diversity Training (2019)

One day workshop for faculty development to promote diversity, equity and inclusiveness, facilitated by Russell McClain, JD, Associate Professor and Associate Dean for Diversity and Inclusion at the University of Maryland Carey School of Law. (May 31, 2019).

University of Maryland Interprofessional Education Day (2014)

One day workshop for faculty development on Interprofessional Education, sponsored by the University of Maryland Center for Interprofessional Education, Baltimore, MD (February 19, 2014).

Reducing Internalized Stigma of Mental Illness: Mapping Future Directions

A two-day interactive working conference focused on the leading edge of intervention, measurement, and theory aimed at reducing internalized stigma related to mental illness. Sponsored by the University of Maryland, School of Medicine, Department of Psychiatry and the Mental Illness Research Education and Clinical Center (MIRECC), Department of Veterans Affairs, Maryland Health Care System, Baltimore, MD (October 7 and 8, 2013).

Mixed Methods Research: State of the Art and Future Directions

John Creswell, Ph.D. and Joseph Gallo, M.D.

Co-sponsored by the Johns Hopkins University School of Nursing, Center for Excellence for Cardiovascular Health and University of Maryland, School of Social Work (March, 19, 2012)

Qualitative Data Analysis: NVivo

Introduction to NVivo Faculty: Ben Meehan (qdatraining) University of Maryland Baltimore (March 8, 2011)

Social Network Analysis and Its Applications to Social Work Research

Workshop: Focus—will cover both theoretical and methodological SNA fundamentals: (a) network concepts and principles; (b) visualizing networks with graphic diagrams and creating data matrices; (c) applying network analysis methods; and (d) network data collection and measurement issues. Participants will learn how to conduct SNA with the UCINET computer package, using example datasets from social work research. Sponsored by Society for Social Work and Research (SSWR) Summer Quantitative Training Institute - University of Denver, Denver CO (July 21-23, 2010). Faculty: David Knoke, Ph.D., Professor, Department of Sociology, University of Minnesota-Twin Cities.

Qualitative Data Analysis: It's Not Just Anything Goes!

Workshop: Focus--the most widely used qualitative methods/approaches (i.e., Content Analyses, structured template approaches, Grounded Theory and immersion approaches). The format combined lectures with hands-on exercises and group discussion. The ATLAS.ti "demo" program and data files will be provided. Sponsored by the Institute for the Advancement of Social Work Research (IASWR) Washington DC (August 1- 2, 2008). Faculty: James W. Drisko, PhD, LICSW, Professor Smith College School for Social Work

Collaborative IRB Training Initiative (CITI): Online human subjects' protections education program, Offered by Human Research Protections Office (HRPO), University of Maryland Baltimore (UMB). Completed 17 basic modules focused on Social and Behavioral Research and Good Clinical Practice and ICH (renewed every three years)

Family Drug Court Planning Initiative: U.S. Department of Justice Bureau of Justice Assistance, Drug Court Planning Initiative (DCPI) Training Program:

Introductory: Pensacola, FL, March 4-6, 2004

Skills-based: Kansas City, MO, June 15-18, 2004

Operations: Jacksonville, FL, August 25-27, 2004

National Association Drug Court Professional 11th Annual Training Conference:

Enhancing the Permanency of Recovery: Orlando, FL: June 9-11, 2005

Biomedical Research and Assurance Network (BRAAN) Training, new electronic IRB Information System, Office of Research Subjects, University of Maryland, Baltimore, September 8, 2003.

Faculty Development in Environmental Health, University of Maryland, School of Nursing, December 6-8, 1999, Baltimore, MD

Geographic Information Systems (GIS) in Public Health: Using mapping and spatial analysis technologies for health protection (Workshop). Sponsored by the Centers for Disease Control and Prevention (CDC), May 11, 2000. The Satellite broadcast was sponsored by the American Nurses Association and hosted by the University of Maryland by the School of Nursing, Kellogg Program in Environmental Health and the School of Medicine's Occupational Health Project.

Protecting Human Subjects (Basic Training for Researchers), Institutional Review Board, University of Maryland, School of Medicine, October 20, 2000.

Faculty Development in Blackboard (web-enhanced or web-based a course development). University of Maryland, School of Nursing, May 4, 2001, Baltimore, MD

Faculty Writing and Grant Writing Groups. Senior faculty member providing support to Junior faculty in writing articles and grant applications. University of Maryland, School, School of Social Work.

FEDERAL TRAINING

Project Officer Training, October 13-15, 1998

Orientation for New Coordinating Centers of Cross Site Evaluation Initiatives, December 15, 1998

Orientation to Grants Administration for Program Officials, July 13-15, 1999

The attached curriculum vitae is complete and accurate.
