

Curriculum Vitae

Michelle Tuten, PhD, MSW
Associate Professor
University of Maryland, Baltimore
School of Social Work
525 West Redwood Street
Baltimore, MD 21201
410-706-7519
muten@ssw.umaryland.edu

Education:

Ph.D.	2013	University of Maryland School of Social Work
MSW	1997	Louisiana State University, Social Work
B.A.	1993	Millsaps College, English

Experience in Higher Education:

2018- Present	University of Maryland School of Social Work, Associate Professor
2017 – Present	University of Maryland School of Social Work, Assistant Professor Co-director, Center for Addiction Research, Education, and Service (CARES) Johns Hopkins University, Department of Psychiatry and Behavioral Sciences, Adjunct Assistant Professor
2014 – 2017	University of Maryland School of Social Work, Assistant Professor
2008 – 2011	Johns Hopkins University, Deputy Research Director, Center for Addiction and Pregnancy (CAP)
2008 – 2014	Johns Hopkins University, Assistant Professor
2008 – 2014	Johns Hopkins University, Founder and Program Director, Cornerstone (2008) and Cornerstone at Helping Up Mission (2012)
2006 – 2008	Johns Hopkins University, Instructor

Experience in other than Higher Education (*non-faculty positions):

2000 – 2006	Johns Hopkins University, Research Supervisor
1998 – 2000	Johns Hopkins University, Research Coordinator and Motivational Interviewing Therapist
1997 – 1998	Professional Rehabilitation Services, Baton Rouge, LA, Behavior Therapist

Principal investigator or primary awardee:

2020- present	University of Maryland Center for Addiction Research, Education and Service (CARES) Science to Service Grant (SSG): Reduction in Smoke Exposure (RISE) study. \$50,000.
2020- present	National Institute on Drug Abuse (NIDA), Innovations in Recovery

through Infrastructure Support (IRISL R24DA051975). \$2,248,386. Co-PI: Jay Unick, PhD.

- 2017 – 2017 University of Maryland Center for Interprofessional Education (CIPE) faculty award to host interprofessional training: *Empowering Students to End of the Cycle of Opioid Addiction*, \$2,000.00.
- 2015 – 2016 University of Maryland School of Social Work Competitive Innovative Research (CIR). *B-Check Breastfeeding Intervention Development*. \$16,882.88.
- 2012 – 2013 Organization of American States (OAS), *Development of Specialized Protocols to Treat Crack Cocaine Use in Youth*, \$425,223.
- 2008 – 2009 Baltimore Substance Abuse Systems, *HIV Prevention grant*, \$1,000.
- 2007 – 2008 Baltimore Substance Abuse Systems, *Intensive Outpatient and Outpatient Treatment*, \$262,500.

Co-investigator:

- 2015 – 2016 University of Maryland School of Social Work Competitive Innovative Research (CIR). *Post-transplant substance use, services use and psychosocial functioning among liver transplant recipients with a history of alcohol dependence*. \$15,943.34.
Principal Investigator: Paul Sacco, PhD.
- 2012 – 2016 National Institute on Drug Abuse (NIDA). *Fetal and Infant Neurobehavioral Effects of Maternal Buprenorphine Treatment* (R01DA031689). \$401,000/yr. direct.
Principal Investigator: Lauren Jansson, M.D.
- 2006 – 2015 National Institute on Drug Abuse (NIDA). *Reinforcement-Based Treatment (RBT) for Pregnant Substance Abusers* (RO1DA14979 stage II). \$408,087/yr. direct.
Principal Investigator: Margaret Chisolm, M.D.
- 2002 – 2006 National Institute on Drug Abuse (NIDA). *Recovery Housing for Pregnant Women* (R01DA014979). \$489,000/yr. direct.
Principal Investigator: Hendree Jones, Ph.D.
- 2003 – 2008 National Institute on Drug Abuse (NIDA). *Stage I: Treating Pregnant Women's Drug Using Partners* (RO1DA13496-01). \$365,624/yr. direct.
Principal Investigator, Hendree Jones, Ph.D.
- 2000 – 2002 National Institute on Drug Abuse (NIDA). *Stage II: Treating Pregnant Women's Drug Using Partners* (RO1DA13496-02). \$248,470/yr. direct.
Principal Investigator, Hendree Jones, Ph.D.
- 1999 – 2010 National Institute on Drug Abuse (NIDA). *Tobacco use in Opioid Agonist Treated Pregnant Women* (RO1 DA12403-06). \$301,111/yr. direct. Principal Investigator: Hendree Jones, Ph.D.

Consultant:

- 2017 – present Behavioral Health Workforce Integration Service and Education (BHWISE), for the BHWET Program (HRSA-17-070). Developed and taught 1-credit course: *Interprofessional Study of the Neurobiology of Substance Use Disorders (SUDs)*.
- 2017 – present UMBC Mental Hygiene, Maryland Home Visiting Program. Provide consultation and training to home visitors and child protective services personnel related to service provision to substance using women and substance exposed infants
- 2011 – present Institute for Research, Evaluation and Training in Addictions (IRETA). Contributed to the development of the online course entitled *Motivational Incentives: Positive Reinforcers to Enhance Successful Treatment Outcomes (MI: PRESTO)*.
- 2008 – present Addiction Technology Transfer Center (ATTC). Provide training for program sites on the use of Motivational Incentives.
- 2005 – 2013 Medical University of South Carolina (MUSC). Provide quality assurance and case consultation on the use of Reinforcement Based Treatment (RBT) for substance abusing caretakers with children in child protective custody. Principal Investigator: Cindy Schaeffer, Ph.D. Funding: NIDA, 5R01DA029726-02.
- 2006 – 2010 Department of Children and Families (DCF), State of Connecticut. Co-developed Family-Based Recovery (FBR) model to treat families referred to DCF for substance use related child abuse and/or neglect. Developed and delivered training protocols, provided quality assurance for the substance abuse treatment component of the model.
- 2005 – 2006 Center for Substance Abuse Research (CESAR). Provided training to NIDA funded multi-site trial personnel on the Addiction Severity Index and the Structured Clinical Interview for DSM-IV Diagnoses, e-module.

Publications:
