Name:_____________________________________

Two things I love to do:
For example: make music, hike, dance, garden, play with my children, skate, read, go to the theater, etc.

Two places I love:
For example: the ocean, Mexico City, the library, water parks, my backyard, the mountains, etc.
A Process of New Model of Leadership

Believing change is needed and possible

Imagining a different future

Motivating and collaborating with others to create the change

Mobilizing others to bring resources to create the change
New Model of Leadership

A Process of
Believing that change is needed and possible

A Behavior of
Building and nurturing relationships
New Model of Leadership

A Process of
- Believing that change is needed and possible
- Imagining a different future
- Motivating and collaborating with others to create the change

A Behavior of
- Building and nurturing relationships

A Choice to either
- Use inquiry to understand others
- Accept responsibility
- OR
- Shut someone down
- Blame others
You are the agent of change!

What you think, say, and do matters
We often want **others** to change

We frequently want **systems** to change
YET.....to accomplish this change

As Leaders we need to be the first to

CHANGE
WHO WANTS CHANGE?

WHO WANTS TO CHANGE?
Using Inquiry
